This matter comes before the Public Service Commission of South Carolina (the Commission) on the September 29, 1994 letter from South Carolina Electric & Gas Company (SCE&G) requesting a postponement of the deadline to file prefile testimony in this matter. SCE&G states that it has reached a stipulation with all parties which would resolve outstanding issues among the parties, and therefore, that no testimony is necessary in the case.

The Commission has examined this matter and believes that the request to postpone the requirement to prefile testimony should be granted. Testimony prefiling shall therefore be postponed until further notice of this Commission. This Order shall remain in full force and effect until further Order of the Commission.
